AUGUST & SEPTEMBER 2007

PRESIDENTS CORNER

We would like to thank Ron and Sharon for filling our shoes the last two weeks, while we were in North Carolina for Jean's Godchild's husbands funeral. But all is not sad, we came back to South Carolina and our youngest grandchild gave birth to a lovely baby girl, "Rowan Mackenzie".

Our hot dog night went off without a hitch, thanks to Hal and Nancy who took care of ordering and cooking all the dogs.

We are still drawing 12 to 15 squares in the summer months which makes for a good dance. We would like all members to know you are the ones who make this possible.

Jean and I can only suggest, but you make things happen by supporting your club.

"Thank ya'll, as we say in the south.

Earlene is doing well and expects to be back for our fall luncheon in September.
